

# CCSLC MODULE 1 SAFETY GROUP PROJECT

Each group must present a single project using the letter size coloured paper which will be provided for you at a cost of \$1:00 for 10 sheets. The project may be hand written OR typed but should be neatly presented in a folder, with the names of all group members clearly shown.

## CONTENT:

Each of the first 5 areas should be presented on separate sheets;

1. An appreciation of 2 general purposes served by having Safety Rules must be given. Examples of rules for each purpose should be identified.
2. Identify 5 Safety Rules for working in the Science Lab . Explanation for each of the rules should be given.
3. Identify 5 Safety Rules for working in the Kitchen . Explanation for each of the rules should be given.
4. Identify 5 Safety Rules for working in the Garden . Explanation for each of the rules should be given.
5. Pictures of 5 Safety/Hazard Symbols with clear explanation of their meaning and an indication of where they may be found.
6. Each group must make a FIRST AID KIT containing the basic needs to cover accidents in any of the 3 situations given above.

Full participation in the group project must be confirmed by other members of the group.

The FIRST AID KITS created will be contributed to the House kits used for sports, and this activity will be considered as part of the Community Service component for CCSLC.
