### Mission Statement

Our aim is to build a school of excellence through the conscious application of the principles of Total Quality Education resulting in creative, moral, confident and self-disciplined individuals.

### Prayer

Almighty God, in whom we live and move and have our being, make this school as a field which the Lord hath blessed, that whatsoever things are true, pure, lovely, and of good report may here forever flourish and abound. Preserve it in an unblemished name, enlarge it with wider usefulness, and exalt it in the love and reverence of all its members as an instrument of thy glory, for the sake of Jesus Christ, our Lord. Amen.

### School Song

#### **MUSIC & LYRICS BY CHARLES COOKE (1991)**

The light in our eyes a reflection  
Of courage we have shown  
In pursuing with bold direction  
A path our very own  
The formulation of our being

The charting of lives

Eventually

Is instilled in all as we heed the call

To reach the heights above

It's a challenge made the foundation laid

With compassion, care and love.

With pride we look back on our history

Achievements in every sphere

One reason for success - no mystery

Dedication in work and play

The spirit of those years continues

To guide and educate

Encouraging

Is a school with heart that will play its part

To keep the beacon bright

In this atmosphere students everywhere

Won't fail to see the light.

The school of today a feature

Of progress, change and time

If history should be our teacher

Success is yours and mine

The combination of two bodies

With single-minded drive

Untouchable!

As our minds explore every open door

Unafraid and strong

Capturing each scene in the lighted beam

The memories abound.

The future of our institution

Is assured in every way

The essence of its constitution

Knowledge and truth hold sway

So hand in hand we go together

To build a better land

Exceptional

Is our foundation all for one

And one for all. Agreed?

Through these portals come in the morning sun

And together we'll succeed.
