

House System

All new students are randomly assigned to one of the five houses:

- **Inniss (Blue)**
- **Lynch (Green)**
- **Skeete (Yellow)**
- **Talma (Purple)**
- **Wellington (Red)**

Persons who have close relatives who are past or present students of the school may make a request to be assigned to the same house. Members of each house meet in specific places for assembly on Friday mornings. Points are awarded in a number of areas. Shields are won by the house with the highest number of points in Academic Performance and in Sports.
